PRODUCT

Glass Bricks

Redefine modern spaces, transforming them into captivating works of art. Imagine dynamic plays of light and shadow, creating an ethereal ambiance that transcends the ordinary.

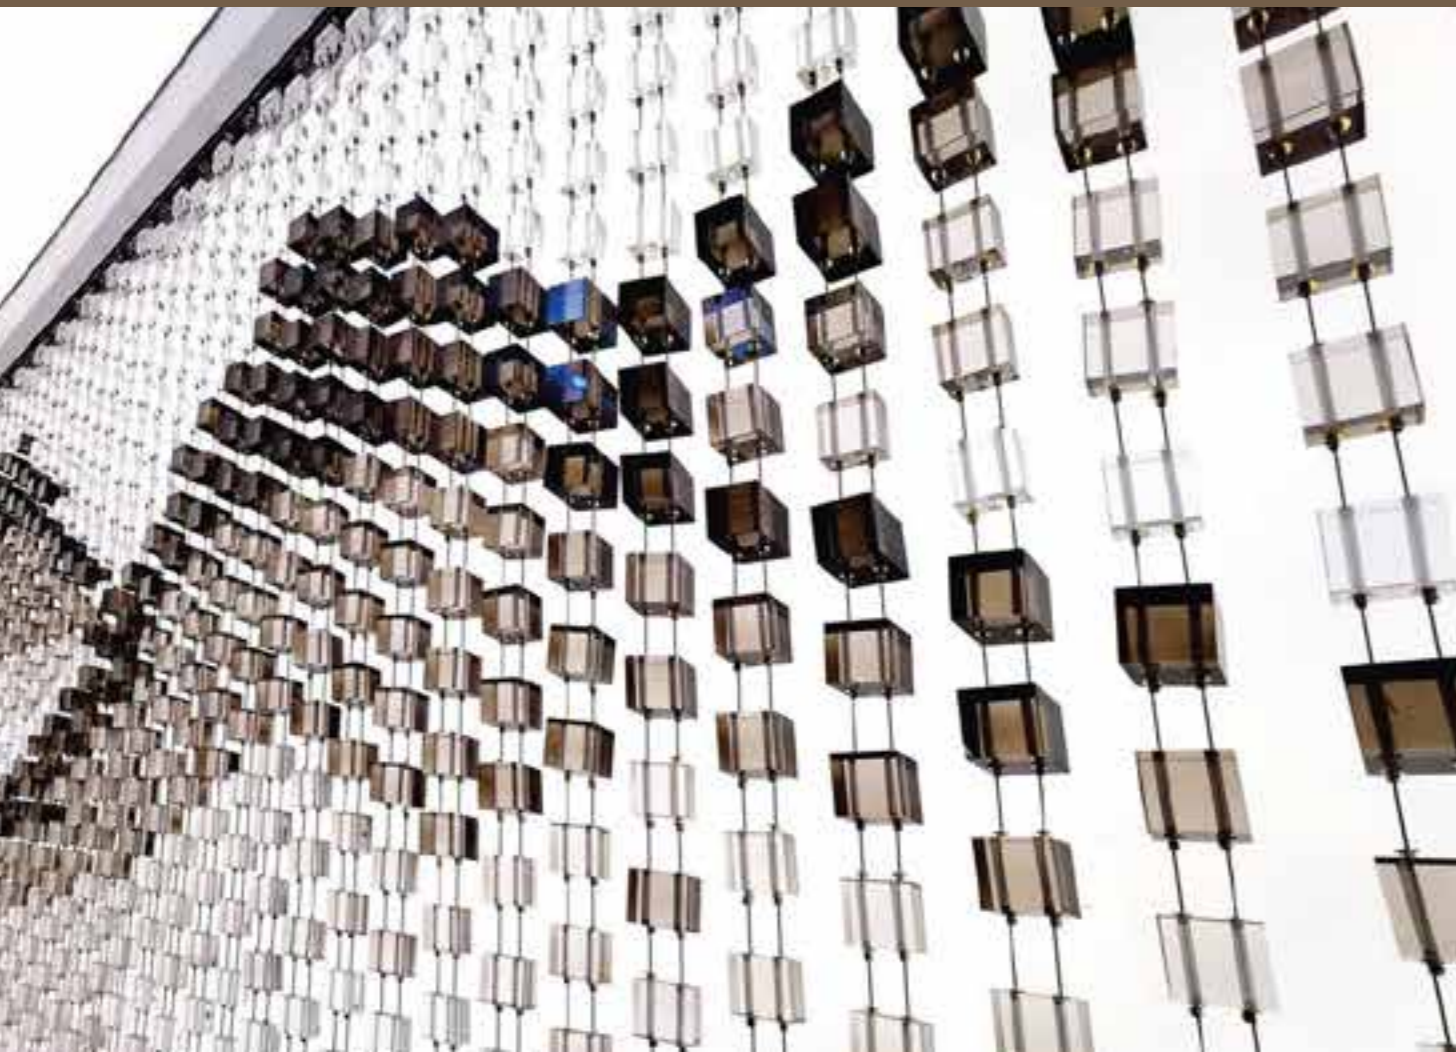

Designed for both interiors and exteriors, these glass bricks offer a delicate balance between privacy and luminosity – from luxurious interiors bathed in natural light to exterior facades adorned with shimmering allure.

But the true allure lies in customization. Our catalogues are a starting point, an invitation for you to infuse your creativity. Are you ready to turn your architectural dreams into reality? The catalogue awaits, offering endless inspiration for your next masterpiece.

GLASS BRICKS

Collection

Redefine modern spaces, transforming them into captivating works of art. Imagine dynamic plays of light and shadow, creating an ethereal ambiance that transcends the ordinary.

PRODUCT

Glass Tiles

Elevate your spaces with these on-trend pieces, turning your surfaces into captivating canvases. Intrigued by the specs and measurements? Request our catalogues, and explore a world where each tile is a testament to both artistry and meticulous precision in architectural design.

GLASS TILES

Collection

From the timeless elegance of tempered glass to the sophistication of laminated glass, our offerings include mirror and reflective coated laminated glass, textured fine-cut glass, sandblasted textures, and glass in various shapes. Explore the intricate charm of crystal glass and the fluid grace of curved glass.

Having adorned countless projects, our glass tiles are a testament to our commitment to delivering a diverse palette that transcends colors and shapes, ensuring your creations are nothing short of extraordinary.

PRODUCT

Metal Mesh

Crafted with meticulous precision, our metal mesh curtain is a dynamic element that seamlessly fuses functionality with artistry. It offers a transformative touch to spaces, allowing architects to play with light, shadow, and spatial aesthetics.

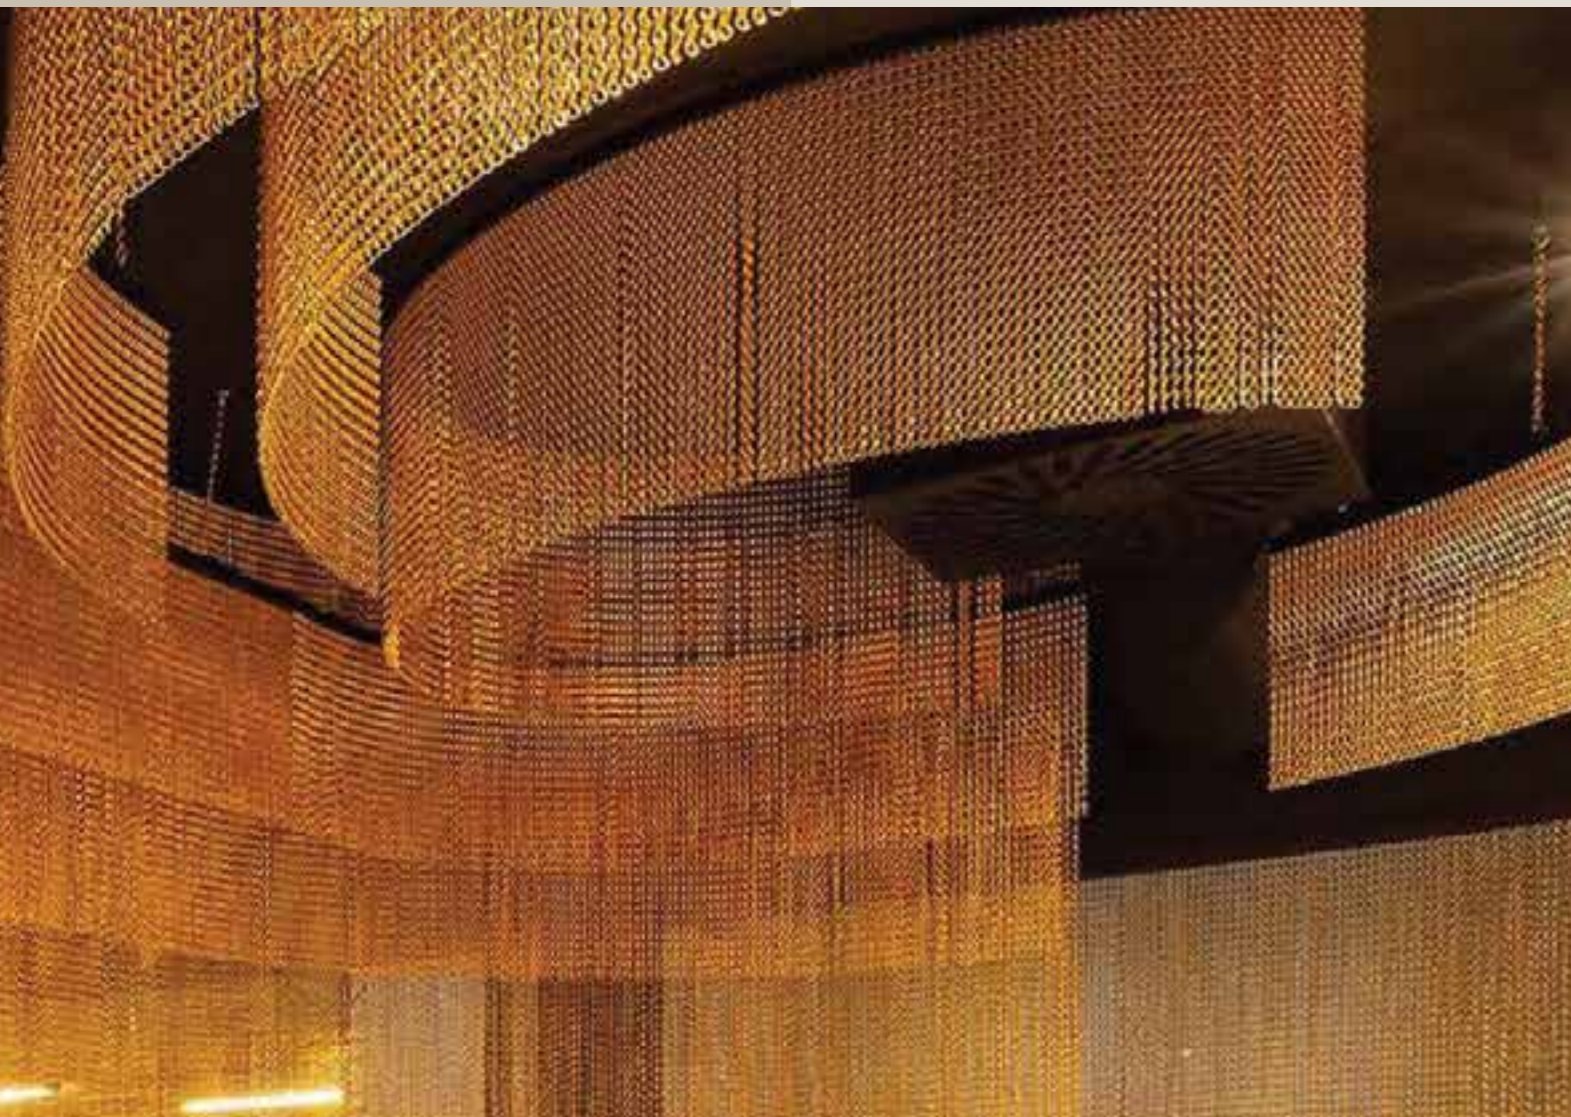

In parallel, our perforated metal sheets elevate architectural design to new heights. A canvas of possibilities, these sheets bring texture and depth to surfaces, adding a contemporary edge to your creations. The versatility of these materials empowers you to create distinctive designs, whether it's in crafting sleek facades or adding subtle accents to interiors.

METAL MESH,
METAL CHAINS
& PERFORATED SHEETS

Collection

As experts in your field, you understand the impact of materials on design. Our Metal Mesh Curtain and Perforated Metal Sheets are not just elements; they are tools for sculpting modern spaces, allowing you to showcase your creativity and elevate your projects with an infusion of contemporary elegance.

PRODUCT

Cement

CEMENT BLOCKS

BREEZE BLOCKS

DECO BOARDS

TERRACOTTA

CEMENT ELEMENTS

Cement Blocks

Elevate your architectural canvas with IINNO Sculpta's Cement Blocks – meticulously shaped and textured to form captivating patterns on walls. These blocks transcend the conventional, transforming spaces into dynamic expressions of modern design and timeless sophistication.

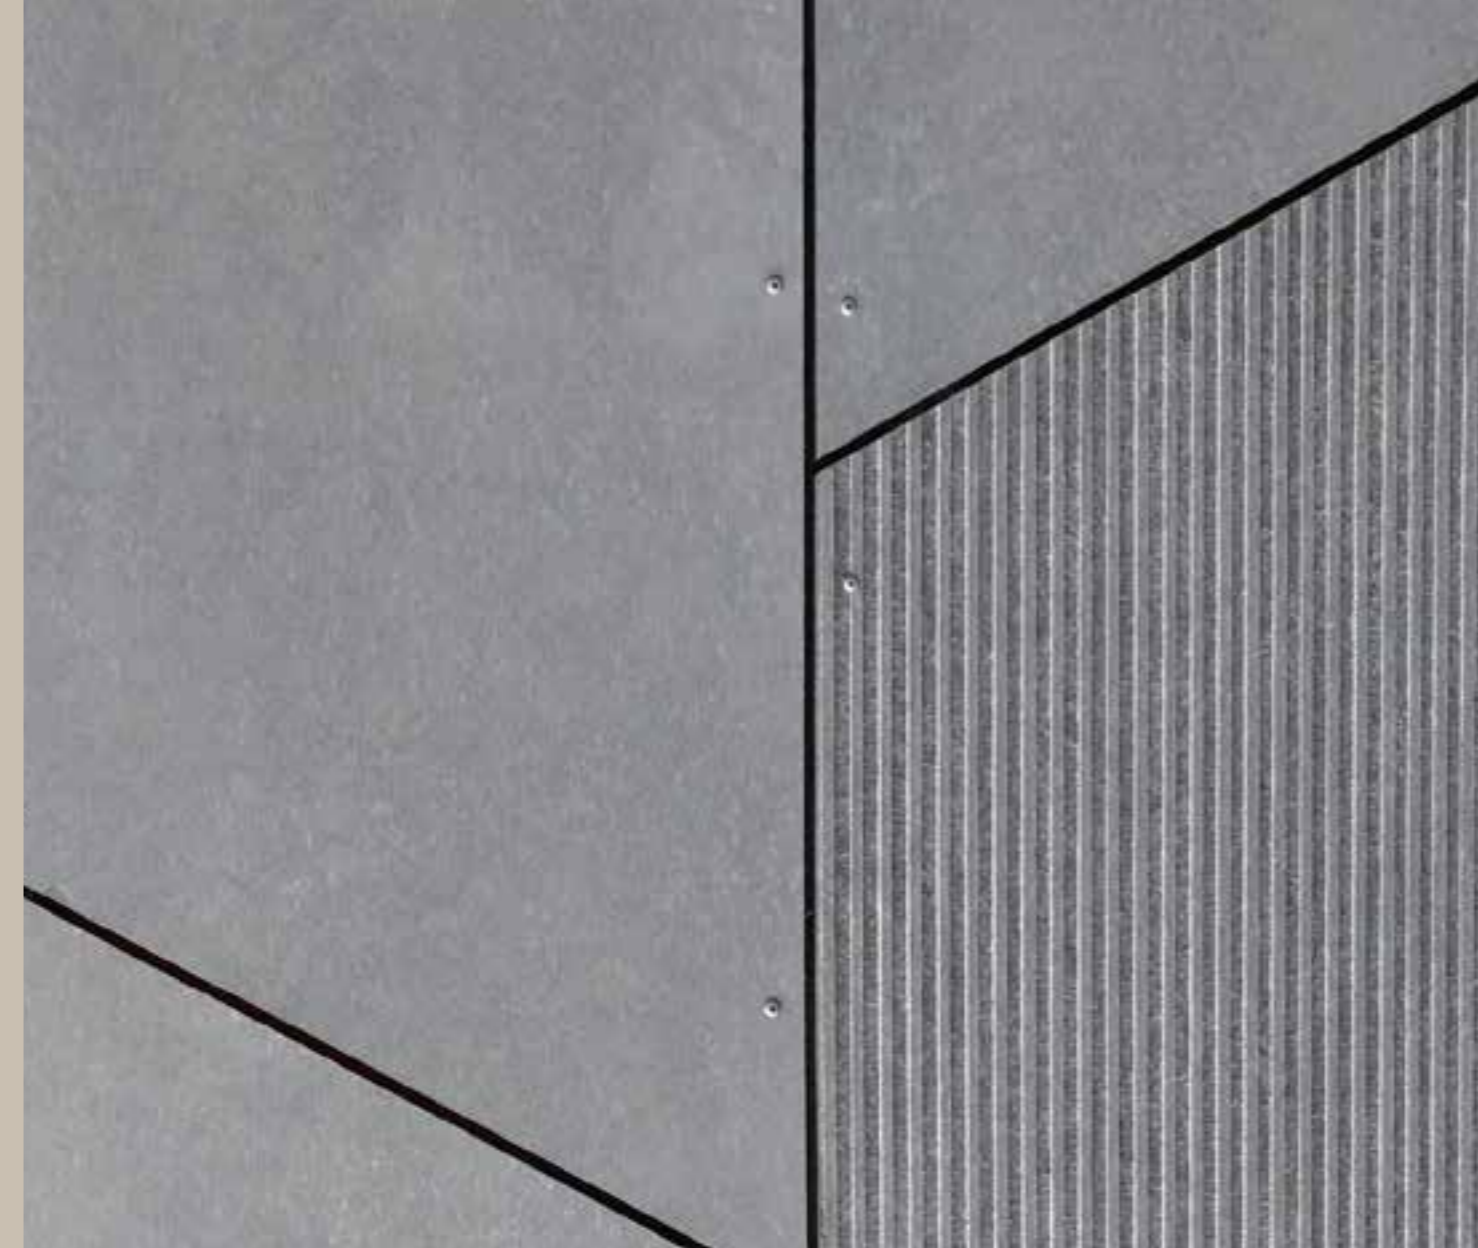

CEMENT ELEMENTS

Breeze Blocks

Experience the beauty of visual dynamism with our Modern Breeze Blocks. Minimalist and expertly crafted, these blocks redefine room separation, playing with light and shadow to create an enchanting interplay that captivates the eye and transforms interiors.

CEMENT ELEMENTS

Deco Boards

Explore a new dimension of texture with IINNO Sculpta's Flat Decoration Boards. These thin, minimalist boards deliver the tactile sensation of cement-tiled walls, adding a modern touch to any space.

CEMENT ELEMENTS

Terracotta

From blocks to breeze blocks and bricks, each piece is a testament to contemporary styling. Instill confidence in your architectural visions as you incorporate these varied terracotta elements, harmonizing modernity with timeless sophistication.

PRODUCT

Stone

STONE DECO

PU STONE

ULTRA THIN STONE

STONE ELEMENTS

Stone Deco

Immerse your spaces in the timeless allure of IINNO Sculpta's Decorative Stone. These slabs, masterfully crafted, transcend mere wall coverings, becoming the canvas for creating both stunning architectural focal points and permanent, bespoke furniture.

STONE ELEMENTS

PU Stone

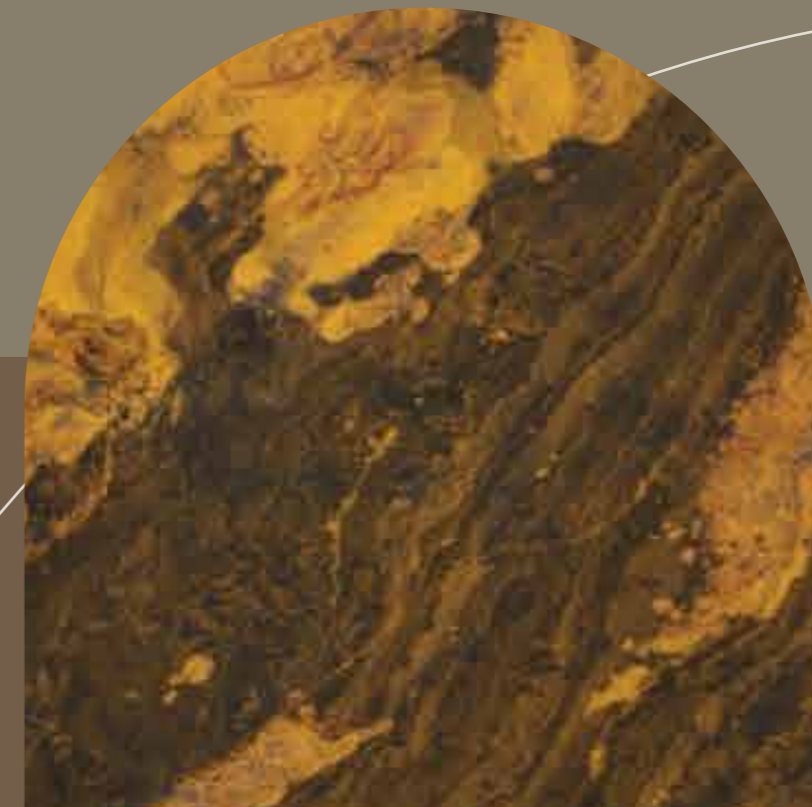

Unveil the beauty of authenticity with IINNO Sculpta's PU Stone – a versatile, stone-look product that brings the natural elegance of stone to breeze blocks, wall tiles, and cladding. With deep textures that echo the richness of genuine stone, elevate your designs with an aesthetic that seamlessly blends tradition with modernity.

STONE ELEMENTS

Ultra Thin Stone

These cost-effective, ultra-thin marvels can be seamlessly applied to walls, creating an ethereal play of light and stone. Illuminate your spaces with a touch of sophistication, where light dances through the very fabric of your architectural vision.
