AN INTRODUCTION

# The IINNO Group

*At IINNO Group, we are dedicated to driving innovation across multiple industries. With a strong presence in energy, lighting, construction materials, consumer goods, and pet health, our mission is to provide cutting-edge solutions that meet the diverse needs of our clients.*

Our global reach, extensive expertise, and commitment to quality make us the partner of choice for organizations looking to innovate and excel. From large-scale infrastructure projects to everyday consumer products, IINNO Group is at the forefront of creating a sustainable and technologically advanced future.

AN INTRODUCTION

# Our Values

## **INNOVATION:**

As a group, we continuously pushing the boundaries of technology to create groundbreaking solutions.

## **QUALITY:**

We are dedicated to upholding the highest standards in every product and service we offer.

## **INTEGRITY:**

Conducting our business with transparency and accountability.

## **SUSTAINABILITY:**

We are committed to environmentally friendly practices and solutions.

## **CUSTOMER-CENTRICITY**

At IINNO we are dedicated to the needs and satisfaction of our clients.

AN INTRODUCTION

# Who We Serve

*Our diverse clientele ranges from government bodies and large corporations to healthcare facilities and individual consumers.* We are proud to have partnered with municipalities, leading construction firms, hospitals, retailers, and more. Whether you're looking for innovative energy solutions, advanced medical equipment, or premium pet care products, iinno Group is your trusted partner.

AN INTRODUCTION

# Comprehensive Services

## ENERGY

Providing sustainable and efficient energy storage and generation systems.

## LIGHTING

Offering cutting-edge LED lighting for urban and commercial applications.

## BUILDING MATERIALS

Supplying high-quality construction materials for innovative building designs.

## CONSUMER GOODS

Delivering advanced medical devices and consumer health products.

## PET WELLNESS

Ensuring the well-being of pets with our range of care products.

CUSTOMER SERVICE EXCELLENCE

# Why partner with the IINNO Group?

## GLOBAL EXPERTISE

Leveraging our international presence and experience.

## CUSTOMIZED SOLUTIONS

Tailoring products to meet specific client needs.

## QUALITY ASSURANCE

Ensuring top-tier quality through rigorous standards.

## INNOVATIVE TECHNOLOGY

Utilizing the latest advancements in all our offerings.

## SUSTAINABLE PRACTICES

Committing to eco-friendly and energy-efficient solutions.

IINNO ENERGY

# Why & Who

“Innovative energy solutions for creating, storing, and using energy efficiently.”

## WHAT DO WE DO?

At IINNO Energy, we are pioneers in shaping the future of sustainable energy solutions. With a focus on innovation and cutting-edge technology, we cater to forward-thinking organizations seeking to embrace the power of renewable energy and smart solutions.

## WHAT DO WE OFFER?

**Smart Solar Solutions:** Benches, bus stops, and trash cans.

**Energy Storage Systems:** Hybrid and battery PCS solutions, battery packs, storage racks.

## WHAT SETS US APART?

Assists in the implementation of environmental and cost benefits through back-up power, off-grid capabilities, fuel savings, demand charge management.

## ARE WE FOR YOU?

Local governments and municipalities, developers, transportation companies, educational institutions, parks and recreations as well as commercial and industrial users.

IINNO LIGHTING

# Why & Who

“We envision a world aglow with possibilities, where lighting transcends the ordinary to inspire creativity...”

## WHAT DO WE DO?

Represented in 30 countries, with over 2000 proud collaborators, IINNO Group boasts years of expertise in LED lighting.

## WHAT DO WE OFFER?

Cutting edge illumination for urban landscapes and architectural projects. Additionally, we lead in LED innovation for medical environments, catering to hospitals and healthcare facilities.

## WHAT SETS US APART?

We provide innovative, customized LED solutions that enhance efficiency, sustainability, and aesthetics in your projects.

## ARE WE FOR YOU?

We are here for municipalities, property developers, architects, construction companies, commercial and retail businesses, and government agencies seeking advanced LED lighting solutions for infrastructure, architectural projects, and public spaces.

IINNO LIGHTING

# Illuminating Every industry

*Discover how our LED lighting solutions are reshaping infrastructure and construction projects. From urban landscapes to architectural marvels, we specialize in providing cutting-edge illumination tailored to your needs.*

With a focus on quality, innovation, and sustainability, our solutions set new standards in safety, creativity, and efficiency. Architects and developers rely on us to create captivating environments that blend functionality with aesthetic appeal.

Join us as we illuminate the path towards a brighter, more sustainable future for your projects.

IINNO LIGHTING

# Infrastructure

*At IINNO Group, we are dedicated to driving innovation across multiple industries, specifically (IINNO) Lighting which stands at the forefront of illuminating vast cityscapes and expansive infrastructural projects. From towering floodlights that cast a brilliant glow over sports arenas to streetlights that line bustling city streets with energy-efficient brilliance, our LED lighting solutions redefine urban landscapes.*

Partnering with leading municipalities and architectural firms, we bring innovation and reliability to every project. Our lighting solutions grace iconic landmarks across the globe, ensuring safety, security, and sustainability for millions.

With a commitment to quality and a dedication to pushing the boundaries of lighting technology, IINNO Lighting illuminates the future of urban environments.

IINNO LIGHTING

# Architecture & Interior Design

*Celebrating the fusion of artistry and functionality, IINNO Lighting illuminates architectural structures and interior spaces with unparalleled brilliance.* From accentuating the sleek contours of contemporary skyscrapers to creating captivating lighting installations within luxurious interiors, our LED solutions redefine the ambiance of every space.

In close collaboration with visionary architects and interior designers, we deliver lighting innovations that transcend traditional boundaries. Our products adorn iconic structures and interior spaces, elevating aesthetics while ensuring energy efficiency and sustainability.

Committed to pushing the boundaries of lighting design, IINNO Lighting illuminates the path towards a future where architecture and interior design seamlessly merge with cost efficiency, innovation and style.

## IINNO LIGHTING **Agriculture**

***We pioneer LED lighting solutions that revolutionize crop cultivation and greenhouse environments.*** Our innovative lighting technologies provide growers with precise control over light spectrums, optimizing plant growth and yield.

From large agricultural complexes to vertical farming installations, our LED solutions cater to the needs of modern agriculture. We help farmers maximize productivity while minimizing energy consumption, for sustainable and efficient agricultural practices.

## IINNO LIGHTING **Product Design**

***We also collaborate with leading automotive manufacturers to integrate cutting-edge LED lighting solutions into vehicles.*** From sleek headlights to ambient interior lighting, our LED solutions redefine automotive lighting.

Partnering with brands like BMW, Polaroid, Globiled, and Voltolux, we bring innovation and style to the automotive industry. With a focus on efficiency, reliability, and aesthetic appeal, IINNO Lighting drives the future of automotive lighting design.

IINNO LIGHTING IN MED

# Healthcare

*In the dynamic realm of healthcare, lighting plays a pivotal role in enhancing patient care and optimizing medical procedures.*

At IINNO Lighting, we pioneer groundbreaking LED solutions tailored to the unique demands of modern medical environments.

From sterilized surgical suites to specialized treatment areas, our lighting innovations illuminate the path to superior healthcare outcomes.

IINNO LIGHTING IN MED

## Surgically Bright

*LEDs offer superior lighting, longer lifespan, and lower power consumption compared to traditional surgical lighting systems.*

They emit high-intensity white light with optimal visibility, reducing eye strain and promoting concentration during medical procedures. LED surgical lights are essential tools in ensuring accurate and efficient surgical outcomes.

IINNO LIGHTING IN MED

## Purifying

*LED panels with air purifying effect: Air purification with lighting*

These innovative LED panels combine efficient energy-saving lighting with high standards of hygiene, clean air, and low bacterial load. Designed to enhance indoor air quality while providing illumination, these panels are ideal for healthcare settings, ensuring a sterile environment for patients and staff.

IINNO LIGHTING IN MED

## Phototherapy

*Phototherapy involves the controlled exposure to specific wavelengths of light to treat various medical conditions and sleep disorders.*

Widely used in dermatology and neonatal care, LED-based phototherapy devices offer targeted treatment options for conditions such as jaundice, psoriasis, and eczema, promoting healing and improving patient outcomes.

IINNO LIGHTING IN MED

## Photodynamic Therapy (PDT)

*PDT utilizes LED light to activate photosensitive drugs and treat skin conditions such as severe acne and cancerous lesions.*

By targeting affected areas with precise light wavelengths, PDT offers a non-invasive treatment option with minimal side effects, making it a preferred choice for dermatologists and oncologists.

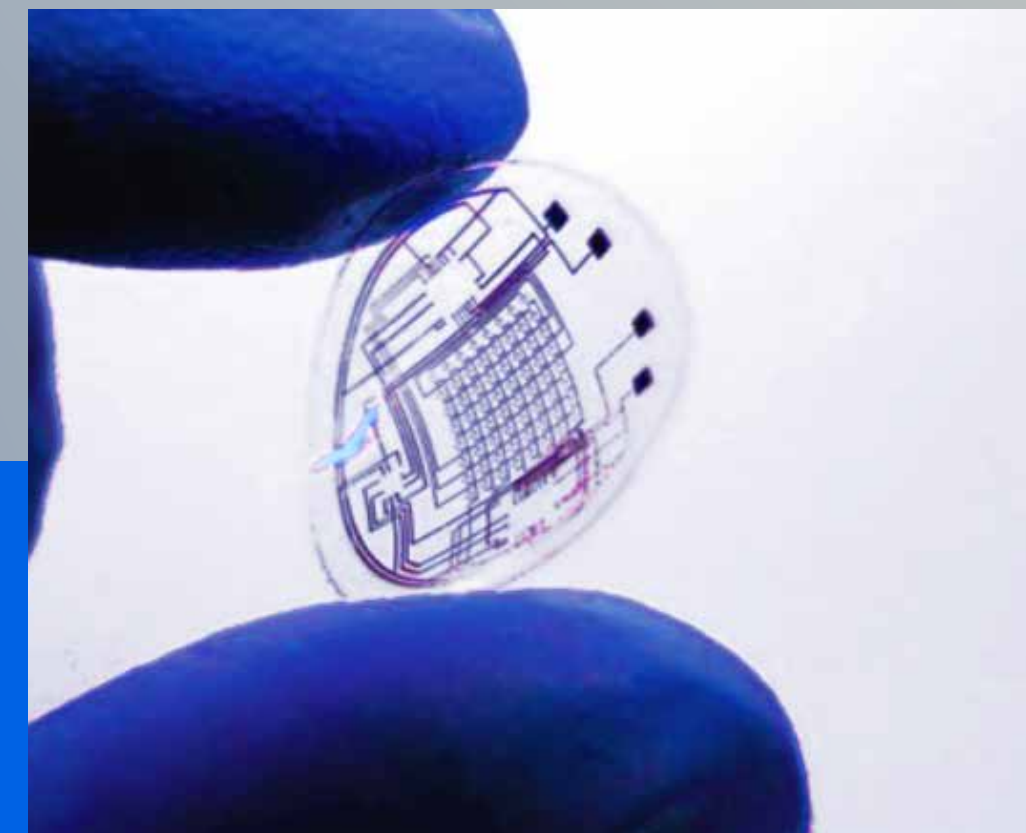

IINNO LIGHTING IN MED

## Biotechnology

*Advancements in biotechnology have led to innovative applications of LED technology, such as bionic LED contact lenses.*

These contact lenses incorporate micro LED chips to provide visual information directly to the wearer's retinas, offering enhanced vision capabilities and potential applications in augmented reality and medical diagnostics.

IINNO SCULPTA

# Why & Who

“Our focus extends beyond offering an array of choices; we aspire to empower our clients with the tools to shape truly distinctive spaces.”

## WHAT DO WE DO?

As manufacturers, we pride ourselves on being on the pulse of design trends, curating an extensive catalog that reflects the pinnacle of luxury and uniqueness in building materials.

## WHAT DO WE OFFER?

From ultra-modern glass bricks and tile solutions to metal mesh curtains and sheets, as well as cement, terracotta bricks, and textures to stone and stone-look facades, we have you covered.

## WHAT SETS US APART?

Working with IINNO Sculpta means accessing an on-trend, vast array of customizable architectural materials, ensuring that every project is both unique and aligned with the latest design innovations.

## ARE WE FOR YOU?

We are ideal for architects, interior designers, property developers, and construction firms seeking cutting-edge, customizable materials for their projects.

IINNO SCULPTA

# Glass Tiles

*Elevate your spaces with these on-trend pieces, turning your surfaces into captivating canvases.*

Our collection includes tempered glass, laminated glass with mirror and reflective finishes, intricately textured fine-cut glass, sandblasted textures, and glass in a variety of unique shapes.

IINNO SCULPTA

# Stone

## STONE DECO

Masterfully crafted, transcend mere wall coverings, becoming the canvas for creating stunning architectural focal points and permanent furniture.

## PU STONE

With deep textures that echo the richness of genuine stone, elevate your designs with an aesthetic that seamlessly blends tradition with modernity.

## ULTRA THIN STONE

These cost-effective, ultra-thin marvels can be seamlessly applied to walls, creating an ethereal play of light and stone.

PRODUCT

# Cement

## CEMENT BLOCKS

Meticulously shaped and textured to form captivating patterns on walls.

## BREEZE BLOCKS

Redefine room separation, playing with light and shadow to create an enchanting interplay that transforms interiors.

## DECO BOARDS

These thin, minimalist boards deliver the tactile sensation of cement-tiled walls, adding a modern touch to any space.

## TERRACOTTA

Instill confidence in your architectural visions as you incorporate these varied terracotta elements.

IINNO SCULPTA

# Metal Mesh

*Our meticulously crafted metal mesh, metal chains, and perforated sheets add a dynamic element that seamlessly fuses functionality with artistry.*

Elevate architectural design to new heights with our versatile metal curtains and perforated sheets. These architectural elements offer a canvas of possibilities, bringing texture and depth to surfaces while adding a contemporary edge to your visions.

Empower your creativity with materials that enable the creation of distinctive designs, whether in crafting sleek facades or adding subtle accents to interiors.

CONSUMER GOODS

# Why & Who

“State-of-the-art  
medical devices  
that cater to both  
home and  
professional  
settings”

## WHAT DO WE DO?

The IINNO Group develops and supplies reliable medical equipment to institutions and retailers across the globe, ensuring quality healthcare solutions for everyday use.

## WHAT DO WE OFFER?

We offer a selection of various options in blood pressure monitors, infrared thermometers, nebulisers, oximeters and face masks.

## WHAT SETS US APART?

Our range of consumer health products is designed with precision and reliability, meeting the highest standards of medical technology. Our products are trusted for their accuracy, durability, and user-friendly design, making health monitoring and management accessible to everyone.

## ARE WE FOR YOU?

Our products are designed for hospitals, clinics, medical professionals, home healthcare providers, and retail pharmacies across the globe.

CONSUMER GOODS

# Medical Equipment

**Left: Our nebulisers** are designed to deliver medication directly to the lungs, providing fast and effective relief for respiratory conditions. Compact and portable, these devices are ideal for both home use and on-the-go respiratory therapy.

**Right: Our infrared thermometers** offer fast, contactless temperature measurement, ensuring hygiene and accuracy. Perfect for both home and clinical use, these thermometers provide instant results, making health monitoring straightforward and efficient.

CONSUMER GOODS

# Medical Equipment

Our blood pressure monitors are designed to provide accurate readings with minimal hassle. With features like large digital displays, easy-to-use interfaces, and memory storage, monitoring your blood pressure at home has never been easier or more reliable.

CONSUMER GOODS

# Face Mask

*IINNO Group's medical grade face masks provide reliable protection for both healthcare professionals and the general public.*

Designed to meet rigorous safety standards, our masks offer high filtration efficiency, comfort, and breathability. Whether in clinical settings or everyday use, our masks ensure superior defense against airborne particles and pathogens.

CONSUMER GOODS

# Medical Equipment

*Our in-store countertop packaging integrates our medical and wellness products seamlessly into retail environments.* These space-efficient displays showcase our product lines—blood pressure monitors, thermometers, nebulizers, and oximeters. Crafted for easy access and maximum visibility, they promote informed purchasing decisions and enhancing the retail experience.

Our commitment to innovation and customer satisfaction ensures that you have the best tools for health monitoring and management.

CONSUMER GOODS

# Why & Who

“We understand that  
pets are more than  
just companions —  
they are cherished  
family members”

## WHAT DO WE DO?

We are committed to providing the highest quality products that cater to the diverse needs of pets, from dogs and cats to horses and even camels.

## WHAT DO WE OFFER?

Our offerings, ranging from supplements and grooming essentials to stylish accessories, are crafted with natural ingredients and backed by science to ensure optimal health and wellness.

## WHAT SETS US APART?

We redefine pet care by offering premium, natural products that enhance the health, wellness, and happiness of all pets.

## ARE WE FOR YOU?

EssencEra is dedicated to those who seek the best for their pets, embracing a lifestyle that celebrates care, love, and the vibrant energy that pets bring into our world. From pet owners to vet and petshop owners.

## Mission Statement

*At EssencEra, our mission is to redefine pet wellness by offering premium, natural products that nurture the health, vitality, and happiness of pets around the world.*

We are committed to creating a holistic approach to pet care, ensuring every pet enjoys a life filled with love, joy, and wellness.

## Your pet's wellness

*EssencEra was born from a profound love and respect for the incredible bond shared between pets and their owners.* We understand that pets are more than just companions—they are cherished family members who bring joy, comfort, and vitality into our lives. Recognizing this, we are committed to providing the highest quality products that cater to the diverse needs of pets, from dogs and cats to horses and even camels.

Our supplements are crafted with natural ingredients and backed by science to ensure optimal health and wellness. EssencEra is dedicated to those who seek the best for their pets, embracing a lifestyle that celebrates care, love, and the vibrant energy that pets bring into our world.

# Nature's Era, Your Pet's Health & Wellness

Made with natural wholesome ingredients, our soft chews promote your pet's wellbeing.
